GUIDANCE NOTES FOR COMPLETING THE JOB APPLICATION FORM.

The information provided on the application form is the only information that will be used in the shortlisting process. It is therefore important that the guidance notes below are followed when completing the application form. This will ensure all the relevant information is available to make a decision on whether you will be shortlisted for interview. Shortlisting will involve assessment of the details provided on the application form against the criteria outlined in the Person Specification provided.

Application forms may be completed in the applicant's own hand writing or electronically.

However, applications will be accepted in other formats where an applicant has difficulty completing the standard form as a result of disability. If you require the application form in another format, such as large print please contact the department detailed on the reverse of this form.

This section may have been already completed, but please check that all the details are complete and correct. If this is not the case please refer to the job advertisement for the post and complete this section.

5. Present Post

This section is concerned with details of your present post. If you are not presently employed you have an opportunity to indicate your experience in Section 7.

7. Experience

You will need to demonstrate that you have the skills, knowledge and experience necessary to do the job. It will not be sufficient simply to state that you fulfil certain criteria; you should, where possible, describe how you meet **all** criteria of the Person Specification. Please note that voluntary work and life skills gained through caring or other domestic responsibilities, if relevant to the requirements of the post may be just as valid as experience gained from employment and should be included. Shortlisting will be based in the first instance on the essential criteria of the Person Specification only. Desirable criteria will only be taken into account where more rigorous selection is deemed necessary. You should try to complete this page briefly and succinctly but if you wish to include an additional sheet this would be acceptable.

8. References

If you are employed or have been employed in the past, your first referee should be your present employer or most recent employer. School leavers should give their Head Teacher, whilst college leavers should give their Head of Department or Senior Lecturer. The Authority reserves the right to contact any previous employer for a reference. The second referee may be a personal character reference although this should not be given by a relative. References will be sought for candidates who are successful at interview. It is therefore advisable that referees are informed when an offer of employment is made. References will be taken into account before the offer of employment is confirmed.

Disclosure of a conviction or caution does not necessarily mean you will not be appointed. Applicants with a conviction or caution will be treated fairly. Details supplied in this section will **not** be considered in the shortlisting process and the appointment decision will be made in the light of all information available considering applicants on their merits. All information supplied will be treated in the strictest confidence and will only be seen by those who need to see it as part of the recruitment process.
